

Client's name:

Caroline Liu (Administration supervisor)

Website URL:

project.b246b.ca/wordpress

What do you like best about your new website?

The website got a clear sense of what we want. We found information easily, all links work fine. It's user-friendly website.

What would you like to see improve?

I would like to add a search engine on website.

On a scale 1 to 10, where 1 is poor and 10 is excellent, please rate:

#The overall appearance (look-and-feel) of your new website: **8**

#The overall function (what it does) of your new website: **9**
